Weddings

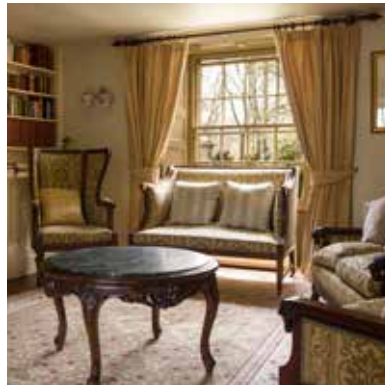

— WELCOME TO BIGGIN HALL —

Biggin Hall is a beautiful Grade II* listed country house that dates back to the 17th century.

Nestled within eight acres in the heart of the Peak District, the formal gardens, courtyard and grounds provide a perfect backdrop to create the most unique and unforgettable day.

We offer the perfect venue for small intimate weddings from ten to fifty guests. Civil ceremonies can be held inside the hotel or in our Africa Gazebo which sits within our beautiful landscaped gardens.

Biggin Hall is licensed to hold civil ceremonies as well as wedding receptions for up to sixty guests.

— YOUR UNIQUE WEDDING —

Wedding days are as unique and individual as you.

Our experienced wedding team provide a seamless and personalised service, to ensure your wedding day is everything you want it to be.

— THE PERFECT MOMENT —

Our grounds hold many surprises including a stunning sculpture trail. Surrounded by the rolling hills of the Peak District, we provide the perfect backdrop for you and your guests to treasure.

“My heart is, and always will be, yours”

JANE AUSTIN, SENSE AND SENSIBILITY

— FOOD AND DRINK —

You are welcome to choose from our sample menus or our chef will discuss your favourite dishes and create a bespoke menu using fresh seasonal ingredients.

We provide a wide range of drinks and we are happy to discuss with you, and our wine supplier can make suggestions of wines that would complement your menu.

We suggest that your guests are welcomed by a light sparkling drink on arrival and you can then choose from our extensive wine list. If you wish to bring your own wine or Champagne we make a corkage charge of £12 a bottle.

Our dining room can be tailored to suit your individual requirements and guest list.

— CONTACT US —

To book a tour of the hotel and grounds, please phone us on 01298 84451 and ask for our wedding coordinator who will be happy to discuss your wedding day in more detail.

Find out how Biggin Hall could be the perfect venue for your perfect day.

"We were together. I forget the rest."
